LIBÉRATION

LIBÉRATION Open baffle reference loudspeaker 27.840 €
(No boxy coloration, no port sound, no damping) - Real live orchestral.
Complete open baffle design with timeless materials like solid walnut or maple
Bronze woven mesh covers
Tidy derrière no loose dangling wires.

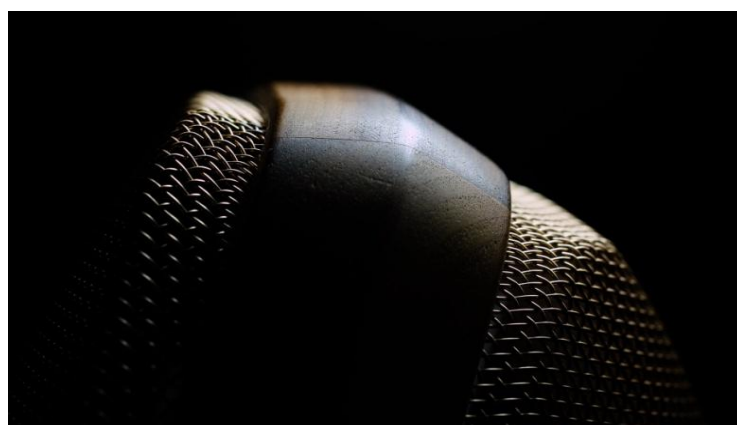

46cm Woofer - 2x21cm custom paper cone midrange AlNiCo motor system

Exceptional RAAL dipole ribbon super tweeter with silver wire wound

28Hz ~ 50kHz - 95db ! - 6Ω - HxWxD : 1020x600x320 - 40kg/piece

6 Vibra 68 wood included

LIBÉRATION reproduces a very natural, superbly open sound stage with a huge dimensional image which is impossible to achieve with conventional closed systems. This makes it ideal for large orchestral music that requires scale and dimensionality.
