LIBÉRATION

LIBÉRATION Open baffle reference loudspeaker 21.778 €  
*(No boxy coloration, no port sound, no damping) - Real live orchestral.*  
Complete open baffle design with timeless materials like solid walnut or maple  
Bronze woven mesh covers  
Tidy derrière no loose dangling wires.

46cm Woofer - 2x21cm custom paper cone midrange AlNiCo motor system  
Exceptional RAAL dipole ribbon super tweeter with silver wire wound  
28Hz ~ 50kHz - 95db ! - 6Ω - HxWxD :1020x600x320 - 40kg/piece

*LIBÉRATION reproduces a very natural, superbly open sound stage with a huge dimensional image which is impossible to achieve with conventional closed systems. This makes it ideal for large orchestral music that requires scale and dimensionality.*
